2022 EARLYACT Projects - Junior School

Dear Charles Campbell College Community,

This year our Earlyact Club's student leaders are undertaking 5 different projects.

Any money raised during our House Team Weeks will be used to support the following projects.

SCHOOL BASED PROJECTS

Improving the toilet facilities

Raising money to repaint and re-tile walls, and to paint motivational quotes on the doors. *The toilets can be a place people go when they are feeling sad or upset and need to be a more inviting place.*

Painted Playground areas

Raising money to paint games areas promoting interaction and social skills amongst our students within our yard e.g. *Snakes and Ladders* or *Twister board* on the asphalt.

LOCAL BASED PROJECTS

Womens and Childrens Hospital Christmas Run

Raising \$1000 to either donate or purchase Christmas gifts for children who are receiving treatment in hospital over the Christmas period.

Animal Welfare

We are asking our school community for donations such as blankets, collars, leads, flea treatment, worming treatment, towels, litter trays, plastic buckets, rope toys, rubber toys, tennis balls, metal dog bowls, cat scratch poles, pet carriers and dry food (Natures Gift, Supercoat, Optimum, Pedigree) to hand over to the RSPCA. This will help care for and treat animals that have been injured or neglected. Due to the circumstances surrounding COVID-19, we ask that you only donate brand new items. Any donations can be handed into Junior School Student Services.

INTERNATIONAL PROJECT

Save The Children: Sponsorship of a child

There will be a recycling bin placed near the main entrance of the Junior School. We will be collecting plastic bottles that can be recycled for 10 cents at a Bottle Recycling Depot. We would appreciate any donations from families and will use the money collected to donate to *Save The Children*.

Our Earlyact members thank you for your support and generosity.

If you have any questions please do not hesitate to contact Christine Falco.

Phone: (08) 8165 4700
