

6 March 2024

2024 BIG SCIENCE COMPETITION

Dear Parent/Caregivers,

The Big Science Competition is a 50-minute multiple choice competition to test science knowledge and critical thinking skills to solve problems. Your child is invited to take part in the 2024 Big Science Competition, which is being held between Monday 6 May and Friday 17 May.

The Big Science competition is open to all students in Years 7-10 and we encourage participation as it provides an excellent opportunity for students to challenge themselves in a non-school assessment situation.

Students will receive a certificate indicating their performance. This competition also can lead to selection for other science extension programs including the Australian Science Olympiads and Curious Minds – girls in STEM.

Cost: The entry fee is \$7.00

Payment can be made at College Reception, Student Services, or via the QKR App.

Student Requirements: Students will require their electronic device, as this is an online competition.

Please return the consent form and payment to Student Services by **Thursday 4 April 2024**.

Kind regards,

Luigi Pilla
SCIENCE LEADER
