COURSE SUMMARY

Advanced Hair Styling Skills Cluster will provide you with a taste of what a hairdressing career would be like while completing your secondary education. You will learn elements of hair design and some operational elements of working in a salon. You will gain hands on experience in the CJE student training salon and demonstrate safe hygiene and health practices.

Upon successful completion of the following units, you will receive a statement of attainment as well as gain competency in some units that will count toward the full Certificate III in Hairdressing (SHB30416). This course is subject to student numbers. The units are at a certificate III level, and on completion; students will receive up to 20 SACE Credits for Stage 2
