

Introducing Happy Haven OSHC Charles Campbell

“Where children learn through play”

Our Program

Our program provides a safe, fun & healthy environment for children. Happy Haven OSHC encourages play based learning and also presents opportunities to learn life skills through activities like cooking and gardening.

The program is largely influenced by our OSHC values, Leadership, Responsibility, Community & Freedom.

Happy Haven are excited to be partnering with Charles Campbell College as your new OSHC Provider! We will be offering Before and After School Care, as well as Pupil Free Days and Vacation Care. We commence 15th of June (Monday of Week 8).

Depending on developments with COVID-19, we would like to organise information sessions for families in the lead up to commencement. If this is possible, we will promote the date and times with the support of the school.
