

REGIONAL PROGRAM 2022

Vocational Education and Training (VET) Courses

East Adelaide Secondary Vocational Alliance is a confederation of 8 schools in East Adelaide. EASVA provides nationally recognised vocational courses and other programs designed to help year 10–12 students explore career pathways and commence accredited entry level training in a variety of fields. Vocational Education and Training (VET) refers to national vocational qualifications that are endorsed by industry. VET qualifications provide students with the opportunity to develop specific industry related skills.

EASVA is working to establish partnerships with RTOs to deliver VET courses in the following industry pathways in 2022. Information about courses will be advertised on www.easva.sa.edu.au as it becomes available. Please see your school's VET Leader for an Expression of Interest form and further information.

How do I apply?

- Step 1:** Review courses of interest
- Step 2:** See website for detailed course information and the expression of interest form
- Step 3:** Discuss with your VET leader

All courses are subject to change. For the latest details including cost of courses visit the EASVA website: <https://www.easva.sa.edu.au>

Adelaide Botanic High School
