COURSE SUMMARY

The Introduction to Make Up is available as for students who are interested in exploring a makeup career.

The short course provides graduates with basic make up development skills and will help the students decide whether they would like to continue their studies in make up.

The included units are at a Level II and on completion; students will receive up to 5 SACE Credits for Stage 1.

If students decide to continue studies after completion of this short course, the units may be available for credit transfer or recognised prior learning for Certificate II in Retail Cosmetics (SHB20121) and Certificate III in Make Up (SHB30221). This course is subject to student numbers.
