Login & Password Reset

Password reset and login details

Written by Mark

Updated over a week ago

Logging in to SineWeb Dashboard

Logging In

1. Go to dashboard.sine.co on any browser. SineWeb Pro is optimized for Google Chrome and Safari. Older versions of Internet Explorer may cause the SineWeb Pro activity feed to freeze. Please update IE to the latest version.
2. The Login screen will appear. Enter your email address associated with your account and your password.

Login
