YEAR 10 ADELAIDE CAREERS & EMPLOYMENT EXPO

Dear parent/caregiver,

This year, your child is participating in their first compulsory SACE subject, the Personal Learning Plan. This subject helps students to plan their personal and learning goals for the future and make informed decisions about their personal development, education, and training.

The Adelaide Careers & Employment Expo offers students the opportunity to connect and explore with a variety of organisations for guidance and clarity in relation to career options.

This excursion relates directly to Task 2 & 3 of the Personal Learning Plan, where students are asked to explore a career and begin to set goals and strategies to plan their pathway through the rest of high school and beyond.

Students will engage with displays and other interactive sessions during the excursion.

Representatives from all major universities, colleges, group training organisations, employment services and representatives from industry including Defence, Police, Hospitality training will be present.
