STEM Innovation Experience (STEMIE) National Excursion

Dear Parent/Caregivers,

Charles Campbell College is leading an innovative STEM program and continuously looking for opportunities to further support and develop students' potential in the field of STEM.

STEM Innovation Experience (STEMIE) aims to challenge students in the field of STEM learning and real-world problems.

Students finished Title Winners in the Metropolitan Cluster - Regional Showcase, and therefore, Charles Campbell College and has been successful in winning direct entry to participate in the STEMIE National Excursion where they will compete against other qualifying schools in unseen and timed STEMIE challenges.

It is my pleasure to inform you that we have nominated your son/daughter to attend this year's STEMIE National Final.

Arrangements:

- **Date:** Monday, 9 November 2026
- **Where:** Adelaide University, Mawson Lakes Campus Registration at the Maths and Science Centre (P1-11) in the same building as the Adelaide Planetarium.
- **Departure and Dismissal:** Students are to meet the supervising teacher at School at around 8:15 am for a departure. Introduction and Welcome at 9:00am, followed by a series of STEM activities over the course of the day. Departure from Mawson Lakes campus approximately 3:30pm.
- **Transport:** School will arrange a maxi taxi to make their way to and from Mawson Lakes Campus.
- **There is no cost for students.**
- Fruit, water and a light lunch will be provided. Students can bring additional snacks.
- Students are expected to wear the **correct school uniform** and behave in a way that reflects our school values.

As part of the management process, it is essential that we have current consent information and require the EdSmart consent form to be completed by **Thursday, 5 November 2026**.
