CHARLES CAMPBELL COLLEGE SENIOR SNOW TRIP

Saturday 10 July – Saturday 17 July 2027

Dear Parents/Carers,

Thank you for showing interest in your child's place on the 2027 Years 10, 11 & 12 Senior Snow Trip to Mount Hotham, Victoria. We have details which include the approximate cost for the 7-day adventure, along with the planned itinerary which is attached.

Families are reminded that the student's place on the trip depends on several criteria including, but not limited to the following:

1. Participants' families' have met all of the schooling financial commitments (outstanding school-related invoicing) before the second payment is due.
2. The payment schedule is adhered to (unless alternative arrangements are made with the Finance Office).
3. The student has continued to meet Charles Campbell College's behavioural expectations and has been approved to attend by the year-level team.

The estimated final cost per participant is approximately **$2,700-$3,000**, based on 20 students attending.

Please complete the EdSmart consent form and payment per the schedule below:

- Consent and Payment 1: $400 due Friday 6 November 2026 (non-refundable)
- Payment 2: $600 due Friday 4 December 2026
- Payment 3: $800 due Friday 5 February 2027
- Payment 4: Remaining balance due Friday 2 April 2027

To discuss alternative payment arrangements, please contact the Finance Office via email on dl.1028.finance@schools.sa.edu.au.

Please note: If you choose to withdraw your child from the trip after payments are made, you may incur a loss, unless a suitable student is found as a replacement. It is strongly advised that **travel insurance** is sought to cover the cost of withdrawing a student due to illness or injury.

- Travel Insurance is **NOT INCLUDED** in this price but is advised to avoid financial loss. *It is recommended that the policy covers Snowsports and COVID related expenses.* On mountain medical care will be sought in all emergency situations. Families should also check their current Health Insurance Policy for ambulance cover or gain ambulance cover through another source.

If your child is feeling unwell prior to the camp, please inform the school. We are seeking permission to give a precautionary RAT to your child (to administer themselves) during the camp if they develop minor COVID-like symptoms. This permission assists staff in the management of day-to-day activities and support of students who are unwell. If you do not give permission, a staff member will contact you should your child develop any COVID-like symptoms and discuss how this will be managed regarding PCR testing, short-term isolation and possibly the need for you to arrange for collection of your child to return to Adelaide.

Due to the nature of downhill skiing and snowboarding in alpine environments, there is some inherent associated risk of injury or death resulting from, but not restricted to: impact injuries including fractures; cuts and abrasions; and exposure to weather extremes. Exposure to these risks can be minimised with safe, compliant and sensible conduct. Parents should, however, be aware of these risks before allowing your child to take part. A number of strategies will be implemented to limit exposure to these risks.
These include:

- Use of modern, well-maintained rental equipment
- Professional, trained, Emergency Patrol staff in proximity to all skiers at the resort
- All Charles Campbell College participants will understand and work together to properly utilise the system put in place to keep account of each individual on the mountain
- All participants will be instructed in the steps to follow, should they become separated from their group
- All staff have up-to-date First Aid qualifications and training, along with experience in alpine environments

I look forward to your continued support of this most valuable event. Should you have any concerns, please contact me at the school.

Kind Regards,

Jordan Schoell
