Dear Parents / Caregivers,

Year 7 students who have experienced the Visual Arts and Dance curriculum this year are going to visit the Cirkidz Circus Centre in Bowden for a half-day workshop experience. Founded in 1985, Cirkidz is a fully equipped, state-of-the-art circus school. This experience has been organised to further develop students' art disciplinary skills, social and cognitive skills, confidence and teamwork.

Students will be led by trained instructors in a selection of circus skills such as juggling, performance craft, balance, pyramid and tumbling. This is an exciting practical skills development opportunity for students and they will write a reflection as part of their Summative response folio task.
