YEAR 9 MODBURY HOSPITAL CAREER EXPLORATION EXPERIENCE

Dear Parent/Guardian,

Your child has been invited to participate in a Year 9 Career Exploration Experience at Modbury Hospital, delivered in partnership with the Northern Adelaide Local Health Network (NALHN).

This is a valuable opportunity for students to explore the wide range of career pathways available within the health sector and to gain an insight into the roles of the many people who contribute to the operation of a hospital.

Students will hear directly from healthcare professionals and support staff about their roles, educational pathways and day-to-day responsibilities. Careers highlighted may include nursing, medicine, allied health, administration, pharmacy, laboratory services and other essential support services.

Places are limited, with approximately 20–25 Year 9 students participating.
